

CAPTAIN YAHYA ZAHIRI

Captain Yahya Zahiri Master Mariner | Strategic Navigator | Veteran Leader at Sea With over two decades of commanding vessels across international waters, Captain Yahya Zahiri stands as a paragon of maritime excellence. A licensed Master Mariner with an impeccable safety record and a distinguished career navigating some of the world's most challenging routes, he brings unparalleled expertise in ship handling, crew leadership, and crisis management at sea. Captain Zahiri is renowned not only for his technical proficiency but for his calm decisiveness under pressure, earning the trust of multinational crews and stakeholders alike. His strategic foresight and operational discipline have contributed to the successful and efficient delivery of cargo valued in the billions, across diverse geopolitical landscapes. From the bridge of oil tankers to state-of-the-art cargo ships, his leadership transforms vessels into models of performance, safety, and unity. With a deep respect for maritime tradition and a forward-looking mindset shaped by years at the helm, Captain Zahiri continues to navigate with integrity, precision, and honor.
